TTN, with over 44 years’ experience*, is the most established trade publication in the Middle East distributed on a controlled circulation basis to members of the travel and tourism industry.

Published monthly by Al Hilal Publishing and Marketing Group, the region’s foremost trade publisher, TTN is aimed at professionals in the industry, from travel advisors to airline and hotel personnel.

TTN provides in-depth and extensive coverage of relevant issues in the Middle East and North Africa as well as in other parts of the world. Travel-related news, analysis, and new appointments together with information on up-coming exhibitions, marketing and promotional campaigns are presented in an innovative and striking colour tabloid.

Every issue also contains a collation of international and regional news and topical features of interest to readers.

TTN is published in both printed and online editions and a daily email newsletter is sent to subscribers, providing a significantly increased readership profile.

*TTN was launched as Gulf Travel Magazine in June 1979.
